Paediatric Dietitian – Join the PlayAbility Therapy Supports Team

Based in the beautiful Bega Valley | Flexible Hours | New Grads & Experienced Clinicians
Welcome

Make a difference in the lives of children and families, every day.

PlayAbility is expanding our multidisciplinary therapy team and we're looking for a passionate and motivated Dietitian to join us! Whether you're just starting your career or bringing years of experience, we'd love to hear from you.

Why Join PlayAbility?

At PlayAbility, we believe every child deserves the opportunity to thrive. Based on the Far South Coast of NSW, we support children and young people (0–18 years) with developmental delay and disability through evidence-based, family-centred therapy. Our collaborative and caring team includes Speech Pathologists, Psychologists, Early Childhood Specialists, and now – we're excited to welcome a Dietitian!

We offer:

- Flexible working hours – You choose your days
- Professional development support
- Access to generous salary packaging (salary sacrifice) benefits
- A coastal lifestyle – Work close to beaches, forests, and a welcoming community
- A supportive, family-friendly team culture – Collaboration, kindness and shared learning
- Outreach and clinic-based work – Varied caseload with the chance to shape your role

About the Role

You'll work with children and their families to assess, plan, and deliver nutrition supports tailored to individual needs – with a strong focus on collaborative, strengths-based practice. You'll be part of a team committed to doing what's best for the child and family, drawing on collective knowledge and shared goals.

Your role will include:

- Delivering evidence-based nutrition assessments and interventions for children with diverse needs
- Supporting families around feeding challenges, allergies, intolerances, restricted eating, GI issues, weight management, and more
- Developing and monitoring individual nutrition plans that align with family routines and goals.
- Working closely with other team members to provide coordinated, holistic support.

- Educating parents and caregivers to build confidence around nutrition and feeding.
- Contributing to group programs, staff education, or community nutrition initiatives (if this interests you!)

What We're Looking For

We're looking for someone who is enthusiastic, collaborative, and keen to grow their skills in paediatric practice.

Essential:

- Tertiary qualification in Dietetics
- Accredited Practising Dietitian (APD) with Dietitians Australia (or eligible)
- Genuine interest in working with children and families.
- Excellent communication and rapport-building skills
- Able to work both independently and as part of a team.
- WWCC, Police Check, NDIS Worker Screening Check
- Current Driver's Licence (some travel required)

Desirable:

- Experience in paediatrics, feeding support, disability, or early childhood (but not essential – we will support the right person to grow into this space)
- Understanding of the NDIS and family-centred practice

What You'll Get

- **Competitive salary** (based on experience and aligned with SCHADS Award)
- **Access to salary packaging (salary sacrifice)** – increase your take-home pay
- **Flexibility to support your lifestyle** – part-time, full-time, school hours – let's talk!
- **Supervision and mentoring**
- **PD allowance and support**
- **An inclusive team culture where your voice matters**
- **A meaningful role** – make a real difference to real families.

Ready to Apply?

Please send your **CV and a short cover letter** outlining why you're excited about this opportunity to:
